A grid of 18 circular portholes arranged in three rows and six columns. The background is a colorful underwater scene. In the top left, a pink octopus is visible. In the top right, a red fish with a green mouth swims. In the center, a yellow fish is partially visible. On the right side, there is a sandcastle with a red flag. At the bottom, there are green seaweed, a pink starfish, and purple coral. The portholes are arranged as follows:
