Este cuaderno pretende ser un apoyo y un refuerzo para alumnos de educación infantil y primaria, su principal objetivo es ayudar tanto a maestros y maestras como a padres y madres, en su labor diaria con los niños y niñas, en la escuela y en la casa .

### Recomendaciones.

- Se recomienda hacer el cuaderno en orden.
- Preparar un lugar adecuado para el trabajo.
- Realizar las operaciones a lápiz para poder corregir o borrar.
- Guiar al niño a lo largo de las actividades, respetando sus tiempos de trabajo, creatividad e imaginación.
- Por último este cuaderno está elaborado con mucho cariño y desde el respeto por el trabajo que todos los maestros, maestras, realizan en clase con sus alumnos/as.
- Gracias por vuestro apoyo y fidelidad.
