

UPS Electronic Return Label: View/Print Label

- 1 Ensure that there are no other tracking labels attached to your shipment.
- 2 Fold the printed label at the dotted line. Place the label in a UPS Shipping Pouch. If you do not have a pouch, affix the folded label using clear plastic shipping tape over the entire label. Take care not to cover any seams or closures.
- 3 Collection and Drop-off
 - Daily Pick up customers may add return package(s) to their outbound shipments by having them ready for the driver as usual.
 - Take this package to a UPS location or to arrange for a collection, call UPS at 902-88 88 20 [UPS Global Locator](#)
